NEW YEAR'S RECEPTIONS. SEVERAL PUBLIC FUNCTIONS ARE PLANNED. The Board of Managers of the Young Women's Christian Association Will Receive Between the Hours of 4 and 10 p. m.—Y. M. C. A. Reception Originally Planned Will Not Be Held—"Open House" at Knights of Columbus and Firemen's Relief Association.

A number of public receptions have already been planned for to-morrow and those who may desire to go out will have no dearth of places to go. The annual New Year's reception at the Young Women's Christian Association rooms will be conducted between the hours of 4 and 10 p. m. The members of the board of managers will receive, assisted by a number of the association managers and Miss Wood, the secretary. In the afternoon there will be a gymnastic exhibition in the gymnasium concluding with a basket ball game. Between the hours of 8 and 10 there will be a musical and literary entertainment in the main auditorium. Receptions will also be held between the hours of 4 and 10 at the South Scranton and North Scranton branches. It was thought at first that the new Young Men's Christian Association building would be ready in time to have it opened with a grand reception to-morrow, but this has been found to be impossible. The building itself is practically complete but it is not completely finished as yet. The Knights of Columbus will have an "open house" all day at their club house on North Washington avenue and the lady and gentlemen friends of the society are invited to attend. Light refreshments will be served all day. "Welcome, friends" will be the slogan at the headquarters of the Firemen's Relief Association on Spruce street, where the general public is invited. There will be a New Year's eve service this evening in the Providence Presbyterian church. "Lessons" will be the theme of the service. The pastor, Rev. Dr. Guild will give a brief address.

PIANO FIRM TO INCORPORATE. Will Be Known as The VanDyke Piano Manufacturing Co. The Keller & VanDyke company have made application for a charter, and are about to incorporate under the firm name of The VanDyke Piano Manufacturing Company. The office of the company will be W. E. VanDyke, president and treasurer; Arthur D. VanDyke, vice president; Arthur L. Collins, secretary; Joseph Keller, superintendent and general manager. Mr. Keller was the general manager of the old company and Mr. W. E. VanDyke is its financial head. These gentlemen are exceptionally well equipped for the offices they are to fill. Arthur D. VanDyke will open a branch office in Worcester, to take care of the Eastern trade. Mr. Collins, who has been the Eastern representative of the firm, and who has built up a very large New England business for them, will, besides attending to his duties as secretary, take charge of the local trade. Mr. J. L. L. Travis, who has very successfully represented the firm for the past two years in the West, will continue with the new firm. Mr. P. J. Quinn, who has been representing the factory locally, will fill that position, as heretofore. The success of the Keller & VanDyke company has been phenomenal. Starting a little more than three years ago with a very limited output, they soon outgrew their manufacturing facilities and were forced to double their capacity. They are now putting out about 150 pianos a month. This is a more eloquent recommendation of the quality of the instruments that they manufacture than anything that could be said for them, but every day the firm receives the most flattering testimonials from those who are using their pianos. The people of this vicinity were a little slow at first in patronizing them, but they are beginning to learn that they can receive very good treatment and the best of satisfaction at the factory warehouses and notwithstanding the unsettled labor conditions of this section, their local trade has grown very rapidly the last year. The fact that the output from this factory is, perhaps, doing more to advertise the city than any of its other products is being appreciated. The pianos made by this firm to go into the names scattered over the country from Maine to California and the name of Scranton becomes a household word wherever they are introduced. To the Republican Voters of the City of Scranton. A Republican primary to elect a Republican candidate for the office of city recorder and ward vigilance committee will be held on Thursday, January 15, 1903, at the regular polling places between the hours of 4 and 8 p. m. Candidates for the nomination for city recorder must register their names with C. E. Chittenden, 519 Lackawanna avenue, on or before Dec. 29, 1902, and pay the assessment levied on or before December 27, 1902, if their names are to be placed on the ticket. The city committee earnestly requests that all nominations for ward and election officers be held at the same time and place, the vigilance committee running a separate box. C. E. Chittenden, Chairman Republican City Committee. For the Military Ball. To accommodate the many up-valley persons who wish to attend the Annual Military Ball of Co. C, Thirtieth regiment, which will be held in the New Armory, New Year's night, the Delaware and Hudson railroad will run a special train to Carbondale, leaving Scranton at 2:30 a. m., and stopping at all intermediate stations.

Holland, of Philadelphia, will do the catering. The arrangements of the armory follow the general line of last year's scheme. Francisco Constantine, of Carbondale, was arrested yesterday on the oath and information of Felix Morocco and Antonio Popotola, of this city, who charge him with embezzlement. Constantine formerly conducted a steamship ticket agency in Carbondale and the prosecutors allege that they sent him sums of money amounting to \$73.80, to be sent to Italy for them. This money, they say, never reached its destination. Constantine admits having received the money and says that he sent it on to New York to be forwarded by a company which makes a business of sending money to the old country.
